

# Suggested List for Hamman Scout Camp 2006

**Notes:** Hamman Scout Camp will provide climbing equipment and will also provide shooting and safety equipment (firearms, eye and ear protection, etc.) Scouts who have climbing shoes should bring them; otherwise, quality tennis shoes good enough for climbing are required. Hiking shoes or boots and camp shoes are also needed. Flexible layers of clothing should be taken; remember, it may be cold -- 40 to 50 degrees and rain is possible. \$5 to \$10 is needed for the meal on the return trip. Spending money for snacks on the bus trip may be needed.
